Dedicated Production Line Employees Wanted

Rapidly Growing Central PA manufacturer seeks dedicated employees who are willing to work hard and learn to weld in exchange for steady work, predictable schedule, good pay, profit sharing, health and retirement benefits and the pride that comes from building steel containers that keep our country clean, green and growing. Working Conditions are sometimes hot, sometimes cold, mostly a little dirty, but always safe!

The position requires the successful employee to:

- 1) Work in teams;
- 2) Be flexible in daily assignments;
- 3) Be respectful & courteous of co-workers;
- 4) Communicate with team members;
- 5) Be detailed oriented & organized;
- 6) Do basic math & read a tape measure correctly; and
- 7) Wear personal protective equipment (glasses, earplugs, steel toe boots and metatarsal guards)

Interested candidates should apply in person at Custom Container Solutions, 391 Wolfland Road, Lewisburg or send resume to info@customcontainersolutions. Learn more about our company at <http://customcontainersolutions.com/about-us.php>
